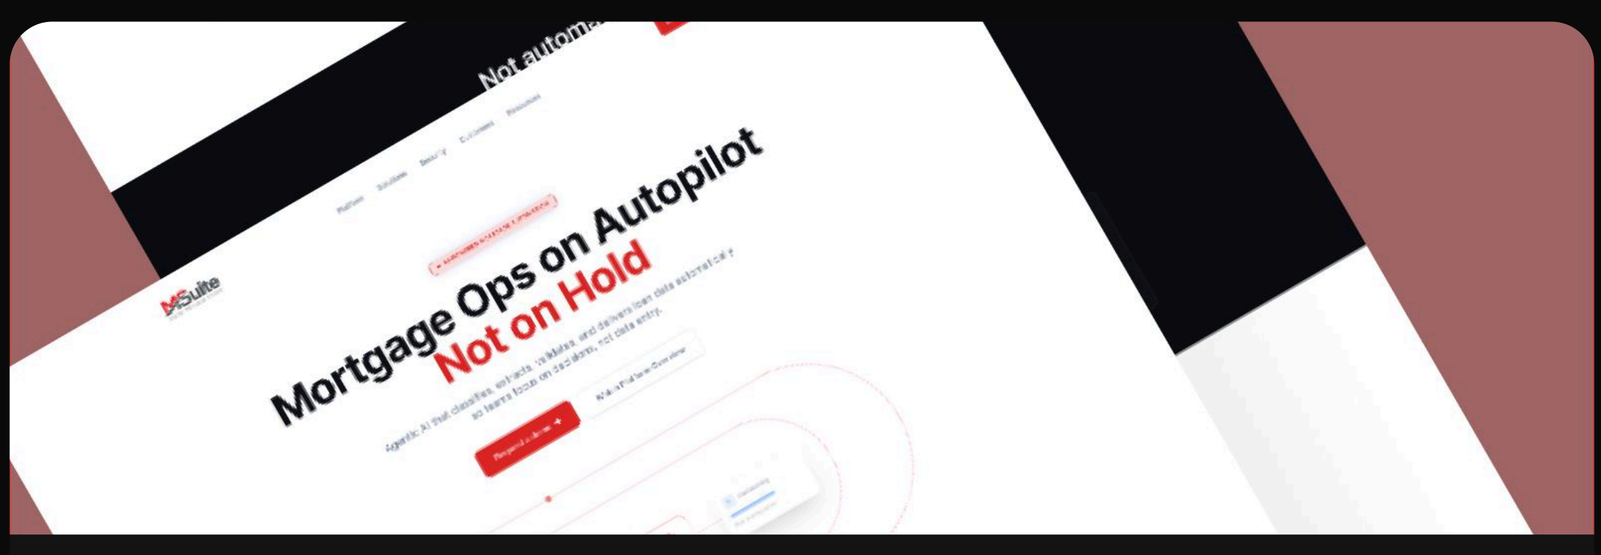
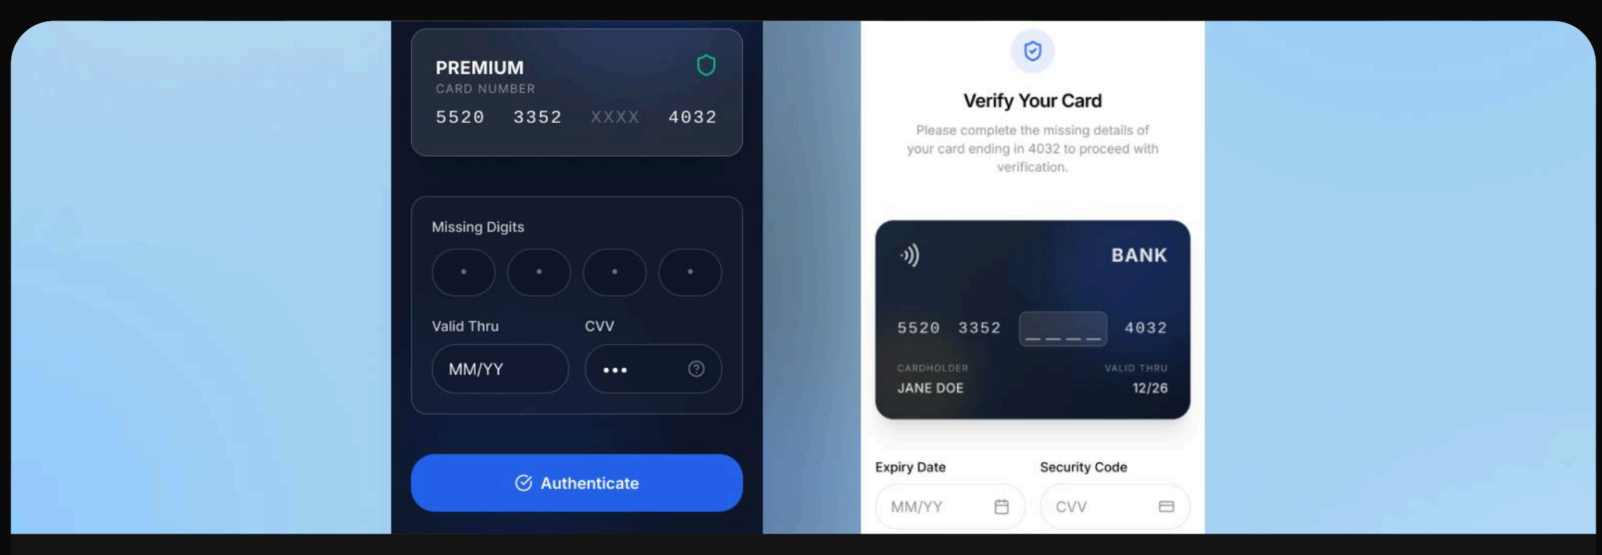
Selected work



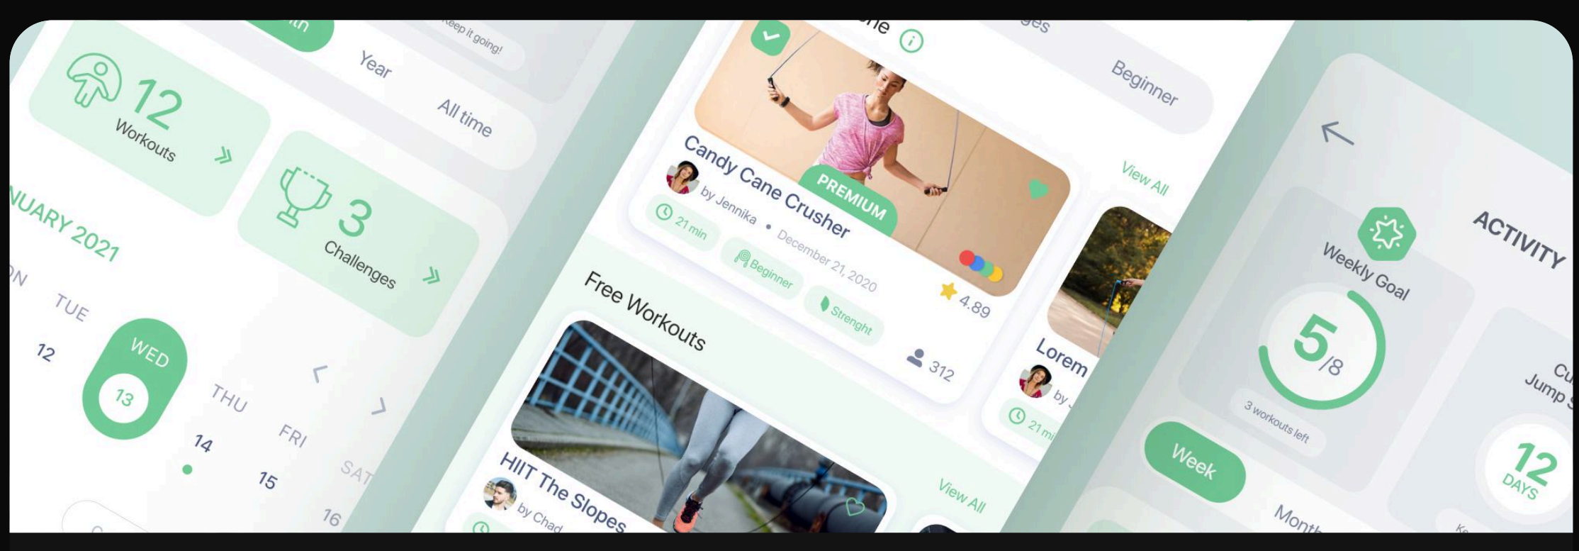
Hazardous substances business app

Gefahrstoff-Programm is the comprehensive solution for managing hazardous materials in pharmacies and supports everyday operational questions. Developed in collaboration with experts, the software has proven its value



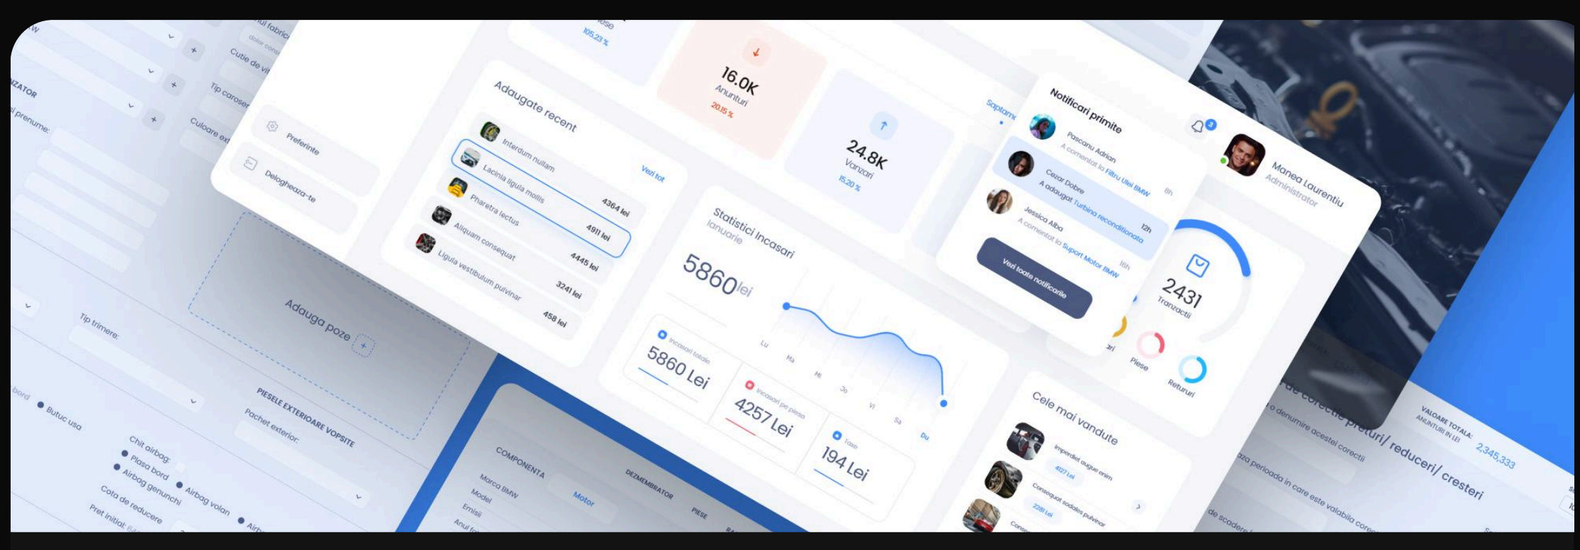
Modern Credit Card Verification & Dispute Form UI

Latitude is there for our customers through all life's moments - the big, the small, the planned and the unexpected. For now and in the future.



Crossrope Premium

Our library of over 3k+ workouts will help you lose weight, gain muscle, and improve your endurance. Plus, keep it fresh with bodyweight, dumbbell, and kettlebell exercises.



AutoParts

A modern Auto Parts Dashboard concept created to improve inventory visibility and workflow efficiency in automotive retail and warehouse management. The interface combines clear analytics, stock monitoring, and supplier insights with a clean layout for a fast and seamless user experience.

Jobs

Where I've worked

Senior UI Designer/Graphic Designer · 99Designs and others · Freelance

Anywhere • 2012 — Present

Doing a wide-range of designs, mostly mobile apps and websites, whether presentation or e-commerce. Doing also branding stuff and print design.

Senior UI Designer · CAPEX.com

Bucharest, Romania • Feb - Sep 2023

Being responsible with the in-house UI projects such as website, mobile app(hybrid) and other UI elements, than I was taking part of the marketing team, handling all projects, such as banners, email signatures, business cards, flyers and so on.

Lead Designer · ActiveDesign

Galati, Romania • 2014 — 2017

Taking care of 80% of the projects came to the agency, as I was the lead designer. I was taking care of a wide-range of design elements, from small buttons, business cards, logos and other marketing elements, to websites, Prestashop templates, mobile applications (iOS and Android).

Graphic Designer · SoundGoodMobile

Bucharest, Romania • Jul - Sep 2016

Making mobile applications for adult industry (iOS, Android and responsive) and mobile banners.

Graphic Designer · Softimpera

Cluj-Napoca, Romania • Apr - Jun 2014

Websites, e-commerce templates and marketing assets.

Toolkit
